LIVE NOW	Level	Closing Date	Start Date	Department	Further Info
Apprentice Nursery Assistant https://beta.jobs.nhs.uk/candidate/jobadvert/C931822-3674	Level 3	6 th November 2022	End of November / early December 2022	Little Apples Day Nursery	As an Apprentice Nursery Assistant you will study towards the Early Years Educator Level 3 Apprenticeship. Early Years Educators are highly trained professionals who play a key role in ensuring that young children learn and develop well and are kept healthy and safe.
Apprentice Customer Service Practitioner https://beta.jobs.nhs.uk/candidate/jobadvert/C931822-5080	Level 2	13 th November 2022	December 2022	Apprenticeships and Careers Team	The Customer Service Practitioner apprenticeship at Gloucestershire Hospitals NHS Foundation Trust is an exciting opportunity to learn new skills and become part of the Apprenticeships and Career Teams who play an important role in developing the skills of existing staff as well as attracting new apprentices into the Trust.

COMING SOON	Level	Advertisement Date	Start Date	Department	Further Info
Apprentice Medical Administrator	Level 3	Very soon	November 2022	Dermatology	As an Apprentice Medical Business Administrator you will be working within the Dermatology Admin Team across two departments to gain value administration and secretarial experience. Alongside the apprenticeship you will have the opportunity to achieve a sought after medical terminology qualification.
Apprentice Clinical Coder	Level 3	January 2023	Feb/March 2023	Clinical Coding	The Apprentice Coder will be trained to accurately abstract, analyse, and translate medical interventions and

					<p>diagnostic terminology from a patient's medical record into alphanumerical classification codes. These records can be understood throughout the NHS and used to plan for future patient care. There is an element of detective work within this role, as well as learning about healthcare and new treatments means work is always interesting.</p>

Online Alternatives to Work Experience

https://www.hee.nhs.uk/our-work/work-experience-pre-employment-activity?utm_source=LaunchEmail&utm_medium=Email&utm_campaign=NationalCatalogueLaunch The National Work Experience Resource Catalogue is a free repository which includes information about: different roles in the NHS; Apprenticeships; career quiz; career planning; how to apply for a job; top tips on getting that all-important application and interview spot-on; work experience ideas; real life stories; videos and so on.

T LEVELS

As an employer, Gloucestershire Hospitals NHS Foundation Trust have been working with local Colleges supporting Industry Placements for T Level students. Feedback received from the students has been really positive! Please see below:

- I am finding placement at Gloucester Royal absolutely amazing, everyone is so lovely and I am learning new things each day, e.g. blood sugars
- My placement has been a surreal experience and has given me a more practical insight into the medical field. It has allowed me to apply theoretical skills learnt whilst in lesson at college.
- My Placement has been extremely informative and has given me insights of what to expect in my future, as I continue with my nursing training
- Joining the T- level has been the best decision. It has given me the opportunity to gain the experience I want. Everything I learn in the classroom helps my practical skills in the actual work placement on the wards. I enjoy everything about the course, even the theory is just as fun!
