

Year 9 PSHE Information Letter

Dear Parent/Carer,

In the Y9 PSHE curriculum we will continue to build on our RSE lessons from Y7 and Y8 to provide more detailed education on contraception, choices and consequences including unplanned pregnancy and sexually transmitted diseases. We will also look at consent and the importance of this within relationships as well as different types of loving relationships.

We will also be recapping sexting and cyber awareness as well as looking at grooming and county lines.

All of this will be delivered in the framework of respect for the individuals, their mental and physical health and welfare as well as following the legal framework.

If you have any queries about what will be covered in these lessons please do get in contact with either myself or Ms Young.

Kind Regards

Jayne Biles

Teacher of PSHE
