

19 Sept 2025

Dear Parents / Carers,

Despite the turbulent weather, we are pleased to see so many of our students in school this week. We have been emphasising the importance of outstanding attendance at school, because the link between attendance and attainment is a very strong one. Improving attendance is one of the key areas that we are focusing on at Barnwood Park this year, and we really appreciate your support with this. With that in mind, I am pleased to announce that we have begun our rewards' programme in assembly, which rewards students for attendance and behaviour. Further details will follow for students who are consistently excellent in both areas or who make excellent progress, but for now please see the names of the below students who were rewarded for receiving the highest number of behaviour points and who won our 100% attendance prize draw.

Year 7

100% attendance prize: Reuben Penton

Name	Positive Points (previous week)
Natalia Magiera	8
Elliot Tuckwell	8
Lily Haviland	7
Marc Virag	6

School Travel Plan

Access and Parking - Keeping Students Safe

Parking Access and Safe Walking Routes

We have 2 pedestrian access gates into School and we would like to encourage students to walk and cycle to school.

- Pedestrian Access gate from Public footpath, leading to York Rd and St Lawrence Rd
- Pedestrian Access gate from St Lawrence Road

It is crucial that we reduce, as much traffic as possible, parking on St Lawrence Road and the surrounding roads for the safety of our students as well as being good neighbours.

We will work with local police and local enforcement officers to maintain road safety.

Student safety

St Lawrence Road, in the vicinity of the School entrances, has 'school keep clear' markings.

- It is prohibited to park or set down to drop off where these restrictions are.
- When dropping off / picking up, parent/carers must consider student safety at all times.
- Please park legally and avoid causing an obstruction to other drivers and please avoid parking across dropped kerbs and driveways.
- Please always give consideration for the neighbours and others.

Drop off for parents / carers is **not available on-site** unless you have a 'Permission to drive on the premises' pass, these are usually granted for specific access arrangements only.

Parking in the school car park by parents is prohibited.

When dropping off / picking up, parent / carers must consider student safety at all times.

Cycling

We provide safe, secure covered cycle parking within the confines of the site for over 50 cycles. We offer cycle proficiency training as part of the curriculum. For safety please ensure your child wears a properly fitted helmet and dismounts the bike as soon as they are on site.

Bus Service

A public bus runs from a stop where St Lawrence Road connects with Metz Way. The Stagecoach No8 service route is Gloucester – Abbeymead – Hucclecote – Brockworth. Further details of bus routes and timetables are available on www.stagecoachbus.com
