Dear Parents & Carers,

I am sorry for the short notice but due to the red weather warning and the knock on effects to services and transport, we are having to follow suit with the other primary and secondary schools across the county who have already announced school closure for tomorrow.

This is due to many reasons including no school transport services, staff shortages due to their children's schools closing, potential health and safety concerns for the school site and students/staff safety getting to and from school.

We understand the frustration this will cause but safety is our number one priority. Lessons will be set on Satchel One tomorrow due to the potential disruption of power which may cause connection issues with Teams.

Kind regards and stay safe.
