

Digital Art: Year 9

project one

FUTURISM

- LEARNING AIMS
- SKILLS AND KNOWLEDGE
- THEORY AND CONTEXT
- PRACTICAL OUTCOMES

LESSON ONE: Introduction

- learning about the Futurists
- who they were,
- what they were angry about,
- exploring their themes and styles
- + presentation techniques

LESSON TWO: Bang!

- looking at how they expressed chaos, explosions and the effects of sound and energy
- learning to use shapes + the 3D effect of layered opacity

Extension - "Lampost" and how to show electric light

- learning to use paintbrush tools and colour changes

LESSON THREE: Exploring movement

- exploring their attempts to show speed, blurring and the illusion of movement
- learning to use duplication of layers, opacity and filters

LESSON FOUR: CHAOS!

A creative response to the theme of Chaos!
Anarchy! Confusion!

- using all your creative manipulation techniques
- learning to develop a thematic composition
