

NATURAL FORMS

To produce a range of work that explores the theme of Natural Forms

Project Objectives:

To explore drawing skills.

To develop skills in using and experimenting with media and techniques.

To work towards understanding the GCSE assessment objectives – Record, Develop, Refine, Present.

Learning Outcomes:

AO Record:

1. Mark-making exercises
2. Observational drawing using pencil, charcoal and biro: a double page presentation on prepared paper background
3. Biro shell
4. Poem/Song
5. Mono-printing: x4 on different papers
6. Acrylic study on brusho dye background

AO Develop

X2 A4 compositions based on AO Record

AO Refine

A3 design towards a potential final piece

The learning outcomes will show you how to record ideas as well as developing and experimenting with media and techniques. You will also develop skills in mounting and presenting your work to a high standard.

You will be expected to annotate your work and guidance will be given on how to do this successfully.

The homework outcomes are an extension to the work you are doing in class. Use your time and skills effectively.

Homework Outcomes

1. Collected images- double page and mind-map
2. Artist research (x2 artists)
3. Biro shell
4. Poem/song
5. Contact sheet of 35 shots; best 8 presented artistically
