Digital Art: Year 7 project two

COLOUR AND PATTERN

- LEARNING AIMS
- SKILLS AND KNOWLEDGE
- THEORY AND CONTEXT
- PRACTICAL OUTCOMES

LESSON ONE: Impressionism and Reflections
- learning about the "Impressionists" -
who they were and what they were trying
to show
- creating an impressionist image
of a reflected landscape
- learning to use filters and layers

LESSON TWO: Hundertwasser!
- learning about a very strange artist...who loved colour
and pattern and used them to create weird fantasy
landscapes
- learning to explore the work of others to develop ideas

LESSON THREE: Hundertwasser! - part two
 - how to create our own fantasy landscape using creative
pattern
- learing to prepare a black and white line drawing
ready for scanning on to computer

LESSON FOUR: Hundertwasser - our landscape
- learning to scan our line drawings to be able to work
on them on computer
- practising our photoshop skills of fill, selection, brush
tools and understanding of opposite / harmony colours
